

MIHLALI MDLANGAZI

Cape Town, South Africa | 076 091 3647 | 222035749@mycput.ac.za | github.com/MihlaliMdlangazi

PROFESSIONAL SUMMARY

Final-year IT student specializing in Application Development with hands-on experience in Java 17, Spring Boot, and REST API development. Proven ability to build scalable backend systems, design PostgreSQL databases, and write clean, maintainable code. Experienced in debugging, root cause analysis, and performance optimisation. Familiar with AWS (EC2, RDS), Docker, and CI/CD (GitHub Actions). Strong collaborator who thrives in agile teams and continuously improves through feedback.

TECHNICAL SKILLS

Languages & Frameworks: Java 17, Python, Spring, Spring Boot
Backend: REST APIs, Microservices (Foundational), OOP, JSON, CRUD
Database: PostgreSQL, SQL
Cloud & DevOps: AWS (EC2, RDS), Docker, CI/CD (GitHub Actions)
Practices & Tools: Git, JUnit, TDD, Debugging, Code Reviews

SOFT SKILLS

Problem-Solving | Analytical Thinking | Communication | Team Collaboration | Adaptability | Continuous Learning | Accountability

PROJECT EXPERIENCE

Backend Developer | Anime Online Store Web App (Capstone Project) – CPUT | Feb 2026 – Present

- Engineered 8+ RESTful APIs using Java 17 and Spring Boot
- Applied TDD practices with JUnit to improve code reliability
- Designed PostgreSQL database schemas focused on efficiency and integrity
- Performed debugging and root cause analysis to resolve issues
- Produced technical documentation and contributed to deployment and maintenance
- Applied clean code principles to deliver maintainable solutions

Frontend & Backend Developer | UniTrade Mobile App – CPUT | Jan 2026 – Present

- Developed and integrated REST APIs for frontend and backend communication
- Collaborated in an agile team using Git, code reviews, and daily standups
- Contributed to deployment, testing, and issue resolution
- Worked closely with team members to understand user needs and business value
- Enhanced user experience through responsive and intuitive interface design

EDUCATION

Diploma in ICT (Application Development) | Cape Peninsula University of Technology (CPUT) | 2022 – Present
